Subject: Internship Completion Certificate

Dear Dinesh,

This is to certify that Mr. Vankam Dinesh has successfully completed his 6-month internship at Invictus Defence Systems in the Flight Controls Department from January 2025 to May 2026 at our Bangalore office.

During the internship period, he worked on Computer Vision and real-time video processing applications using C++, Python, OpenCV, and Linux environments. He was actively involved in developing and debugging GStreamer-based video pipelines, handling raw image buffers, and improving system performance and processing efficiency.

He also contributed to object detection and image processing tasks, demonstrating strong technical skills, problem-solving ability, and dedication towards assigned responsibilities.

Throughout the internship, his performance, learning attitude, teamwork, and professional conduct were found to be satisfactory.

We appreciate his contributions and wish him success in his future endeavors.

Best Regards,

Moksh M Surange
